

Kwikboost[®]

POWERFUL CHARGING SOLUTIONS

DEMO PROGRAM

Mobile Device Charging Stations

How the program works

We'll send you a charging station to use wherever you choose to on campus for 30 days. If our charging station is in high demand, which it almost always is, we will take \$75 off the purchase price when you purchase. If our charging stations are not a big hit?

Just return it! Kind of like test-driving the car before purchasing.

How to get the Discount

Try a Kwikboost Charging station anywhere on campus:

Library

Student Center

Teacher's Lounge

Dorm

Sports Venue

All that is required for the \$75 discount is to take a selfie with the Kwikboost station.
